OUR VENUE

Preparing for your wedding ceremony

With two exclusive spaces for preparation, both you and your partner can enjoy the charm of our beautiful barns with ample room to get ready with us.

The Courtyard Suite

The Courtyard Suite, nestled within the courtyard, is your exclusive getting-ready room for sipping champagne while relaxing and preparing.

This enchanting suite offers a cool, tranquil retreat where you can prepare for your special moment.

The Studio

The Studio, a beautifully converted barn, is our hair and make-up suite, offering a light and airy space with a stunning private garden.

Both suites are included with full-day wedding hire and can also be added to other wedding hire options

The Cartshed

Once a charming grain store, the Cartshed now offers a serene and enchanting setting for your wedding ceremony.

Imagine saying your vows underneath a canopy of fairy lights and rustic beams whilst our wedding team is on hand to ensure your ceremony is perfect.

Lovingly restored, the barn radiates a warm, rustic elegance. Adorned with delicate fairy lights, the Cartshed exudes a rustic charm, complemented by our Chiavari chairs, and perfectly styled ceremony décor.

Following the ceremony, the Cartshed transforms into a space to relax and unwind which we lovingly know as the 'chill out' barn.

With bi-folding doors that open onto the courtyard and beautiful lawns beyond, the Cartshed seamlessly blends indoor comfort with the surrounding countryside.

Fully heated for cosy winter weddings and air-conditioned for warmer days, our charming grain store provides the dreamiest of locations for your wedding ceremony.

Accommodates up to 130 guests for full-day wedding hire and ceremony-only hire. For twilight weddings and other hire options, the capacity is 100 guests

The Furlong View

Our handcrafted solid oak ceremony arch creates a breathtaking backdrop against our picturesque setting,
The South Downs National Park.

The Furlong View offers an enchanting outdoor wedding experience, perfectly designed to blend in with the Barn's stunning countryside landscape. With its elegant Chiavari chairs and perfectly styled décor, The Furlong View promises a romantic and unforgettable setting to say your vows beneath the open sky. Perfect for photographs and selfies, we guarantee The Furlong View has a countryside backdrop like no other.

Outdoor ceremonies are included with full-day wedding hire and can also be added to other wedding hire options

The Courtyard

Nestled at the heart of Long Furlong Barn, the south-facing courtyard is a dreamy walled haven that beautifully links the Granary and the Cartshed.

Enclosed by a charming flint wall, this enchanting space features a large parasol canopy with a central rustic bar, complemented by delightful olive trees and inviting rustic seating.

Our iconic red telephone box, a nod to the past, adds a touch of whimsy to wedding magic, a perfect photo opportunity for you and your guests.

The Confetti Barn

The Confetti Barn, renowned for its 'walk to happiness,' offers a magical setting for a confetti celebration, creating an unforgettable moment of joy and romance following your ceremony.

The Granary

With rich historical charm, the Granary offers a timeless backdrop for your wedding day, party or twilight hire.

Designed to seat up to 130 guests for the wedding breakfast, but equally intimate for smaller gatherings, the Granary effortlessly combines flexibility with a light and airy touch.

As the sun sets, the Granary transforms into a vibrant space for the evening reception. With our bar and dancefloor in the same space, you are guaranteed to keep the drinks flowing and the dancefloor full!

Adorned with a canopy of fairy lights and a beautiful variety of styles of table décor to choose from, the Granary ensures a sophisticated and unforgettable experience for every wedding at Long Furlong Barn.

Our Location

The Long Furlong is a cherished route for locals journeying to and from Worthing and beyond, offering breathtaking views of the South Downs National Park.

Our venue is ideally situated within easy reach of London, Brighton, and Portsmouth, with a selection of bespoke independent hotels and lodges just minutes away.

Dream Wedding Memories to Last a Lifetime

Once a charming grain store serving the fields that my family has lovingly tended for over a century,
Long Furlong Barn has been transformed into a bespoke wedding venue.

The renovation journey was guided by my eldest son, Toby, and our first weddings were gracefully handled by my youngest son, Josh, in 2014.
Ali, my daughter now works closely with our dedicated wedding team, while I still pop in from time to time to ensure everything unfolds seamlessly.

We hope you fall in love with Long Furlong Barn just as we have.
We believe that weddings should be simple yet profound, overflowing with love, laughter, and cherished wedding memories that will last a lifetime.

Yours...

Peter Jenkin
