CATERING

Our Trusted Catering List

We've handpicked a selection of exceptional caterers to ensure your culinary vision comes to life beneath the fairy-lit canopies of Long Furlong Barn.

Whether you're seeking simplicity, a bespoke menu, or complete extravagance, our Trusted Caterers offer an array of unforgettable dining experiences. All full-service caterers must be chosen from our approved list.

If you're considering a food truck, this does not need to be selected from our main caterer list; however, we highly recommend choosing from our trusted food truck partners for the best experience.

We begin with the finest, freshest locally sourced ingredients, thoughtfully crafted into a wide range of delicious dishes for life's most special celebrations.

From crowd pleasing canapes and elegant three course fine-dining menus to relaxed buffets and family-style sharing boards, casual barbeques, hog roast and paella options, our food is designed to suit every occasion. Our evening light bites, including our wood fired pizzas, provide the perfect finishing touch

We've been catering weddings and events since 2008 and now cater for around 100 events each year.

We're a small, dedicated team with a genuine passion for weddings and creating memorable events.

We understand that for many couples this is the first large event they've ever planned, so we guide them through the whole process from start to finish to make everything feel as stress-free and enjoyable as possible.

We can offer a wide range of catering styles including canapés, plated three-course meals, sharing platters, BBQs, hot buffet stations and street food-style evening food.

We also love creating big, showstopping sharing feasts served straight to the middle of the table — sharing-style food is our favourite way to eat and always creates a great atmosphere for guests.

gastro catering

Gastro have been catering since 2008, and have a wealth of experience arranging weddings.

They love getting creative in the kitchen and treat all of their weddings with meticulous detail, care and attention.

Gastro are a relatively small team of Jess the owner, 3 full-time chefs and Alice who is the head of sales and events.

The core team are passionate about the industry they're in and truly love what they do.

Being a small team has many positives as the couples will speak to Alice or Jess from day one, all the way through the production stage which gives all couples peace of mind and means they get to know the team and adds a personal touch.
